To Whom It May Concern:

I have an extensive background in Florida law, primarily handling appellate work in most areas of civil law. I also provide "litigation support" to trial lawyers; this support consists of researching and writing motions, responses, briefs, etc. I'm an excellent writer.

I'm interested in continuing to work in this capacity (on a contractor or employee basis), as this is my area of expertise. I would be interested in speaking with you if my background is of interest,

Thank you.

Sincerely,

Robert Garven
