PROFESSIONAL WORK EXPERIENCE

Arthrex, Naples, FL

Manager/Supervisor/Sr. Operations Analyst - Lab Operations Reporting Jun 2018 – Present

- Well-versed with SAP transactions for the Order-to-Cash, Procure-to-Pay, Material Management, and Warehouse/Inventory Management functions.
- Created Power BI relational data models using SAP HANA, Salesforce, and SQL databases.
- Using VBA, drastically improved Material Resource Planning for Lab Loaner and Lab Operations events.
- Prepared reports that analyze demand, inventory turnover, cost, historical trends, and other important KPIs.
- Established goals, provided direction, and created structure for the Lab Ops reporting team.
- Created relationships with key stakeholders in Finance, Medical Education, Exhibits, Product Management, Supply Chain, Compliance, IT, Meetings & Events, and Warehouse Management.
- Headed multiple process improvement initiatives.
- Improved Arthrex agency participation, accuracy, and timeliness of Agency MedTrac data.
- Increased accuracy of inventory through constant and continuous monitoring as well as worked with others to develop better methods for managing inventory.
- Provided reporting for and assisted with multiple cost reduction initiatives.
- Prepared reports that analyze demand, inventory turnover, cost, historical trends, and other important KPIs.

Supply Chain Buyer/Planner

Sept 2016 – Jun 2018

- Created and entered forecasts into SAP for 1200+ Arthrex products.
- Worked with suppliers to ensure adequate inventory levels.
- Utilized VBA for preparation of weekly backorder report.
- Member of a team of individuals that launched new products into the marketplace.
- Achieved annual cost savings of \$300,000+ through various cost reduction methods.

Cost Accountant

Nov 2015 - Sept 2016

- Coordinated costing inputs and performed cost rolls in SAP that are associated with master data Change Orders.
- Analyzed work order variances and purchase price variances.
- Worked with manufacturing engineers to expedite backorder and market product initiative change requests.
- Maintained SAP procurement and costing data for the manufacturing plant.

WCI Communities, Bonita Springs, FL

Jan 2014 - Nov 2015

Financial Analyst
