

JRG Recruiting Partners,

I am highly interested in the opportunity to connect with the JRG Recruiting Team as a helpful resource in my job search.

I hold a trade school degree in Visual Communications. My unique background lends itself to CPG (consumer goods, food & beverage), corporate retail, brand strategy, product lifecycle & performance management, new product market launch, key account sales management, and food broker sales. I am consumer-centric with a passion for innovation and excellence. I am relationship-focused, results-driven, motivated, resourceful, thorough, analytical, and collaborative. I have solid cross-functional leadership experience and enjoy working in a fast-paced environment. I bring an intimate knowledge of the CPG and retail/consumer landscape. Not only have I built my own CPG start-up from the ground up, but I've had the pleasure of representing 20+ major national CPG brands, as well as worked for several of the largest big box retailers like walmart.com, Petco and Williams-Sonoma Inc.

I am seeking a mid-senior level direct hire role (remote) within CPG/Food & Beverage, specifically in sales, operations, or logistics. My schedule is flexible with immediate availability for interview and start date. Thank you in advance for your time and thoughtful consideration, it is greatly appreciated. I look forward to hearing from your team on potential next steps and the opportunity to share more about myself.

All the best,
Lauren Savitch
