Dear Sir/Madam,

I found your company on line and am excited to send in my resume for a Medical Sales position. My degree in Health Sciences combined with my years of high end sales experience puts me in a great position as a superior candidate for a medical sales position. With my proven track record of both sales and finance success, I am thrilled at the opportunity to help make this growth strategy a success.

In my current position as Sales and Leasing Specialist and Asst. Finance Manager I am a high-performing sales person and have achieved leading sales numbers and won competitions for most monthly sales. I have developed a strong repertoire of successful sales techniques as well as maintaining high levels of customer satisfaction. I understand the need to remain adaptable in today's rapidly changing economy and am committed to expanding my skills as needed.

Thank you for your time and consideration. I'm looking forward to learning more about Medical Sales positions that your company may offer.

Sincerely,

Luka Peric
