Hiring Manager,

I am confident that my broad experience in dealing with food service suppliers, food manufacturing, national distributors and consumer goods sales experience would make me a strong candidate for a Director of Sales position or National Sales Manager position for a CPG company or regional company. My leadership experience includes the driving force of launching new products, large account management, development of national sales plans, creating partnership agreements, sales growth, and team leadership. All key strengths will benefit a company looking for a strong leader.

I am a team-oriented manager that analyzes the data and demonstrates the ability to make confident decisions in a timely manner.

Thank you for your consideration and I look forward to the opportunity to meet with you and the hiring team to discuss the valuable leadership skills and experience I can offer a company that is hiring a Director of Sales or National Sales Manager.

Sincerely,  
*Michael Lingenfelter*
