Work Experience

Quality Control Supervisor/ Mechanic helper

Escambia Peanuts - Flomaton, AL

June 2020 to Present

1. 2 successful seasons ensuring that the company met the desired quota of harvested peanuts.
2. As a shop helper I was trained to repair and replace certain parts of the cargo trailers we use (I.E. unlocking brakes, wiring signal lights, welding cross bars)

Quality Inspector

Alto Products - Atmore, AL

February 2020 to Present

- As a first line surface preparation quality inspector for this company I am tasked with ensuring the quality and separation of machined parts being produced and processed for vehicle transmissions, as the products are actively being produced.

Receiving Supervisor

DGM Distributors

January 2019 to June 2019

While working as a Receiving Supervisor I acquired and fine tuned the following skills:

- Team leadership – from the manage a team of warehouse personnel and effectively coordinating and directing the team members and utilizing staff to accomplish warehouse tasks
- Logistics skills – through handling logistics for incoming materials.
- Financial management – from occasionally managing department budgets
- Safety management – by establishing and enforcing an effective and efficient safety procedure and protocol

As a warehouse receiving Supervisor I was tasked with the following:

- Coordinate Receiving Teams
- Establishing Policies and Procedures
- Conduct Employee Training and Onboarding
- Maintaining Warehouse Reports
- Maintain Warehouse Safety

Order Selector

Standard Furniture Mfg - Bay Minette, AL
June 2018 to December 2018

I was tasked with selecting recurved orders from within the warehouse within a timely and safe manner, with the use of a forklift and or pallet jack

- I was always top 5 out of twenty other individuals on night shift for having the most productivity
- I maintained a zero percent accident rate
- I earned a spot on the company's safety team for suggesting a new and safer system to pick orders within the warehouse

General Laborer

Hagan fence - Loxley, AL
February 2018 to May 2018

I was a general laborer for a Fence installing company, as a team of two to three workers we were tasked with the responsibilities of maintaining our equipment, selection of the right materials for the job site, ensuring of proper installation of the fences while maintaining the dignity of the clients yard, safely and accurately completing the task within the allotted time period

Forklift Operator/Material Handler

Tiger sul - Atmore, AL
January 2018 to April 2018

As a forklift operator while assigned to this company i was directly in charge or containing raw products to a specific weight. Also i had the responsibility of safely and timely transporting the product to and from several warehouses through out the property.

Forklift Operator/Warehouse

Capstone Logistics, LLC - Fountain, CO
September 2017 to December 2017

As a forklift driver for this company my responsibilities where as follows:

To safely remove and handle products from the containers, while still attached to the carrier trucks.

To repack and store the items or materials through out the warehouse, once properly managed by the receiving personnel.

General Laborer

Grede Foundries LLC - Brewton, AL
September 2016 to August 2017

Hours per week: 55
Phone:251-867-0525

Duties: As a General Laborer my duties considered maintaining the storage and distribution of said products throughout the foundry to be processed. Also calculating the amount of storage and time to process the unfinished materials throughout the plant. Cleaning and preparing the job site, loading

and delivering materials, and using a variety of tools and machines such as power drills, grinders, and pressure washers were also part of my job as well.

Delivery Driver

Loomis Armored US, LLC - Pensacola, FL
January 2016 to September 2016

Salary: \$33,000 per year
Hours per week: 60
Phone:

Duties: As a delivery driver I was responsible for the pickup and delivery of customer orders in accordance with a designated route. I provided cash services to ATMs and other similar equipment as well as financial and retail businesses. Deposited moneybags, receipts, daily guide sheet, change box, and money with cashiering department. And I recorded information, such as number of items received, destination, contents of packages, and delivery time at scheduled stops, on daily guide sheet.

Infantryman-E4 Specialist

U.S Army - Fort Wainwright, AK
January 2013 to December 2015

Duties:

I specialized in close ranged combat with all enemies of the United States of America

Sniper- Conducting long range security/ reconnaissance while being able to give timely and precise support by fire, monitor patterns of multiple personnel, being able to make last second decisions in hostile environments.

M249 saw gunner- Supporting a squad size element with accurate and timely machine gun fire, carrying heavy loads over long distances in a timely manner, maintaining accountability of personal equipment.

Team Leader- Planning and overseeing all missions on a small team level (3-5), giving a full and accurate brief before and after assigned task, maintaining accountability of personal equipment and up to four other individuals.

Stryker Driver- heavy vehicle operating, Safely transporting personnel and equipment through hazardous environments and hostile situations, maintaining the maintenance upon the vehicle and ensuring proper holding area conditions for personnel who would be aboard.

Lawn Care Specialist

Michael Dees Lawn Care - Pensacola, FL
January 2010 to January 2013

Salary: 13,000 per year
Hours per week: 20-25

Duties: I performed lawn care services, including fertilization, weed control, aeration, etc. on customer properties and completing daily invoice and truck checkout procedures. While also providing professional, courteous customer service.
