

Dear Sir/Madam,

My name is Akshata Hiremath and this email is about a vacancy inquiry at your respectable organization. I am a postgraduate with a master's degree in Food Technology from India. I have two years of working experience as an R&D executive in Swani Spice Mills, Mumbai, India.

Currently, I am keenly interested in working in your company's R&D department or quality assurance department. It will be a pleasure to be able to associate myself with your company. Through this mail, I would like to inquire about any job vacancies that might be open for recruitment within the coming few days. I have attached my resume to this mail.

I am also certified in BRC and have a valid certification that has been pursued recently.

I have valid authorization to work in the USA.

I hope you will keep my inquiry for record and inform me as and when a suitable job vacancy comes up. Hoping to hear from you soon.

Sincerely,
Akshata Hiremath,
