TO WHOM IT MAY CONCERN

7/18/2022

Dear To Whom it may Concern,
I am a young professional who has gained a great deal of experience in closing deals and negotiating. My last job required going into customer homes, gaining trust and building value in my company and our products, in order to provide a solution and close a deal. I am an ambitious self-motivated individual and act with the upmost integrity as an Eagle Scout Recipient..

Sincerely,
MATTHEW DOWLING
