RE: Regional Sales Director

Dear Miss/Sir,

With over 15 years of experience as a Regional Sales Director, I wanted to reach out to you with my interest in competing to a sales leadership position in the healthcare industry.

I handled various responsibilities in my previous Regional Sales Director position and quickly established talents in prioritizing tasks, meeting deadlines and finding solutions to eliminate obstacles. My career has enabled me to develop and establish skills in such key areas:

- Customer Relationship Management
- Regional Management
- Hire, Train and Develop sale teams

I am grateful for the opportunities afforded me in my prior position, and I'm ready to put those skills to use for your company. I am looking forward to new challenges, collaborating with a fresh team of talented professionals.

In my previous role I was a skilled and hardworking Regional Sales Director, but due to the ongoing pandemic my previous employer was forced to lay off 50 percent of the sales and marketing leadership team. While this period was unplanned and unexpected, I put the time to good use and am ready to get back to the workforce. My non-compete and non-solicitation expired at the end of November 2021.

I've attached my resume with additional details of my work experience and qualifications. If you have any questions, please feel free to contact me.

Sincerely,
Chris Uzzell
